CLASS HISTORY

No horns were blown, no flags were flown, but on September 9, 1964, 640 fluffy, white ducks proudly entered the doors of North Syracuse Central High School. Kevin and the Class of '67 had arrived.

As eager sophomores, we promptly raced down to Room 109 and then up to 215 where we proudly adopted Mr. Delaney and Mr. MacDonald as our knowledgeable class advisors. Next on the agenda was election of officers and President, Jim Hennessey; Vice-President, Helen Clancy; Recording Secretary, Pam Hutchinson; Corresponding Secretary, Georgia Triplett and Treasurer, Mikki Robinson became our first set of executives. A model of Kevin was created. Marcia Rogers' adaptation of "Stars and Stripes Forever" (Be kind to your web-footed friends, etc.) was selected to be our class song and the class of '67 started its journey upward.

The "Reindeer Romp", as we named the Sophomore Christmas Party, became our first real project and, though operating on a shoestring at its inception, the dance materialized as our initial success under the chairmanship of Margie Albino.

Personalized stationery became the rule of the day as every loyal duck in school involved himself in the annual Sophomore Stationery Sale. Judy Williams was chairman of the lucrative event and Gilda Flanigan and Dan Williams reigned as top salesmen.

The Northman Viking was chosen for a sweatshirt emblem and Kevin Sweatshirts were ordered for delivery in September.

Now all systems were go when the ducks we reunited as Juniors. With Jeff Zogg, President; Georgia Triplett, Vice-President; Deanna Grietzer and later, Pat Naylor, Recording Secretary; Chris DeJohn, Corresponding Secretary and Mikki Robinson, Treasurer, Kevin lost no time in organizing the first Junior dance, "Halloween Hullabaloo". Barb Krushaar headed the committees and the affair proved another success for the determined ducks.

The stage presence of Kevins flock was the exhibited in our hilarious class play, **The Mouse that Roared** by Leon Wibberly. Actors John Henry, Diane Whitney, Garry Glickman, Gref Hendrell and Al Cali did justice to their roles as did the other players. The spontaneous antics of Gary MacCollum and Greg Nicklas will long be remembered as a complimentary added attraction to our Junior Play.

In March, we began to order class rings and all envisioned the approaching finale. But Kevin still had many bridges to cross; and upward and onward we raced.

Carefully premeditated and anxiously anticipated, the highlight of "our Junior year was realized on Friday, March 25. We called it "Athenian Ecstasy" and truly it was as we danced among marble statues and trellaced vines. Jeff Zogg and Pat Naylor were crowned king and

queen and the work and planning of four months prior was realized in the aura of old Athens.

In May, the lights were again subdued; this time in keeping with the Greenwich Village atmosphere of our second Junior Dance. Designated "Happiness Is . . .", the event proved to the student body that happiness is an evening with Kevin and the Class of '67.

Our concluding function as juniors was the election of officers for our crucial Senior year. A wise choice was made in delegating Bob Salino, President; Chris DeJohn, Vice-President; Leslee Weimer, Recording Secretary; Pam Hutchinson, Corresponding Secretary and Helen Clancy, Treasurer.

Now the ducks had reached upperclassmen status. We were mighty seniors and had come a long way; but still graduation was not quite at hand. First, there was the magazine sale to tackle and we engaged in a formidable project to surmount the sales of last year's class. Under the diligent chairmanship of Nancy McCauley and largely through the efforts of industrious sellers, Al Cali, Leslie Nelson, Dave Conners, Jan Arthur, Jeff Horning, total by \$1,900 and dealt a degrading blow to the egos of a few remaining Trix supporters. Class profits from the sale amounted to an encouraging \$5,000+ and now plans could be formulated for succeeding Senior events.

Chris DeJohn was assigned to head the organization of our Spaghetti Supper which occurred on February 14.

Plans for our final monumental social event were begun early in the winter when Pat Naylor was designated as Ball chairman. A south sea island theme was chosen and we dubbed the affair "Song of the Islands". Amid a scene of minute grass huts, dormant volcanoes and tropical streams couples danced, this May 28, knowing that this final event would be a never forgotten success.

Suddenly . . . the end was at hand. Caps and gowns had been delivered reveal our final status. Commencement, Monday, June twenty-sixth, ended the reign of Kevin at North Syracuse. Experience and education had matured Kevin and had instilled examples and ideals around which we could pattern our lives. It was time to leave.

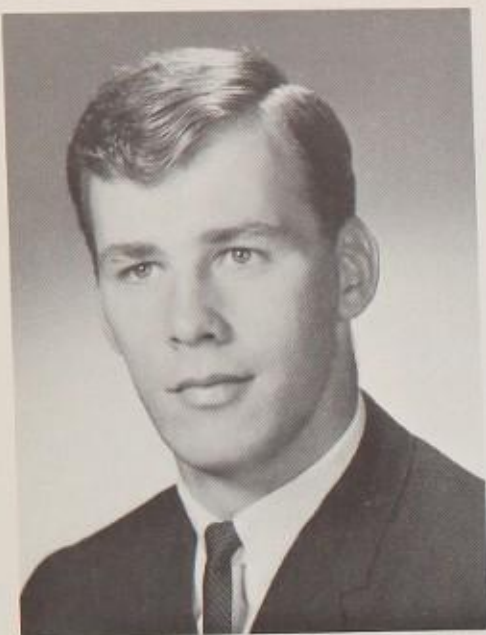

Our class of 1967 was not a stereotype of any other. Although we adhere to the traditional functions of our respective years, the class of '67 was not without innovations. Ours was the first class to explain our activities to our families at Junior Parents Night and more important, we initiated the idea to an open cabinet to encourage greater class participation.

Yes, Kevin and the class of '67 will leave its mark at North Syracuse, and will venture out in areas of business, industry and higher education to eventually contribute to and leave its mark in the world.

Friendship,
Peggy

It's hard to believe I've only known you a few weeks, but I guess sometimes things like that just happen. I've had so much fun since I've met you and I really wish I didn't have to move to Cincinnati. You're terribly sweet and I enjoyed Sherburne (even though the bus broke down and we met up with a snake). I'll miss ya an awful lot when I move and I'll always remember you and all the fun we've had. Never change and you'll always do well in all that you do. I hope you always have good luck in all that you do, too. Be good and may God bless!

Love ya always,
Jeannie

P.S. never, ever forget the King and I. It was wonderful!
